

Newsletter 19 Friday 3rd February 2023

Dear Parents and Carers,

I hope that you are well.

FOSS have arranged a grand opening of our new mud kitchen next Friday afternoon, with a storyteller coming into school to share an exciting story with the children.

Little Otters, Reception and KS1 children will be told a story and then KS2 children will have their opportunity.

Following this, FOSS will be running a 'Treat Friday' event on the back playground. We'd love you to join us so that you can see the amazing mud kitchen for yourself.

As such, there won't be a Star Assembly next Friday.

On Thursday, Mrs Squire, started working with the Year 6 children to re-establish our Play Champions scheme. The Play Champions will take it in turns to work with children across the school to lead games and play activities at lunchtimes. They will act as role models for 'good play' and help the younger children to learn more traditional playground games, as well as some modern versions.

This Wednesday, 8th February, is our Cyber for Parents talk delivered by Rob Bloor from Gloucestershire Police - it is a great session that will help you keep your children safe online. The session starts at 4pm until 5pm.

I am aware, that following the consultation, double yellow lines will be put in place on St John's road, just past the school. As yet, I do not know the date that the work will take place

This will have an impact on those of you who drive to school. The governors have been monitoring the situation since before I joined the school. I will write to you when we have further information.

Have a good weekend

James Taylor
