

## Newsletter 29 Friday 5th May 2023

Dear Parents and Carers,

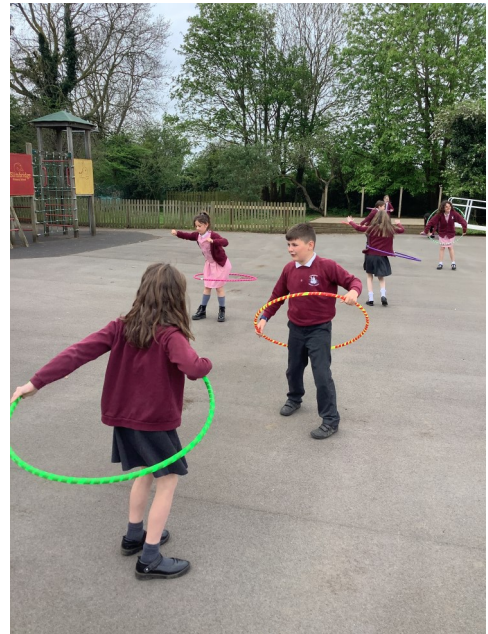

Welcome to our Coronation special newsletter.

On Tuesday, Elly joined us in school for a hula hooping demonstration and workshop. It was wonderful to see all the children, Y6 to Little Otters, taking part and using the hula hoops that they had decorated. Elly showed us some of the incredible things that can be done with lots of practise, including flicks and spinning up to six hoops at once!

Today, all the children and staff received a Coronation bookmark as a memento of this historic event as a gift from FOSS. Despite the unseasonal weather, the whole school found a dry moment to go out on the playground and put their hula-hooping skills to the test in a Coronation-Hula. This was followed by their party on a plate this afternoon and a raising rendition of God Save the King.

Children will bring their hula-hoops home today as a gift from the project. If you'd like to be part of the Hula for the King celebration tomorrow, please see the poster included with today's newsletter.

Whatever you are doing this weekend, I hope that you enjoy the bank holiday.

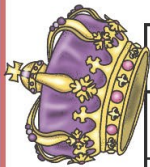

Have a lovely bank holiday weekend, *James Taylor*
