Newsletter 34 Friday 16th June 2023

Dear Parents and Carers,

I hope you had a good week and enjoyed the sunshine.

Sports Day

Sports Day this Thursday was a huge success. The children put their hearts into each event and displayed remarkable athleticism, leaving us in awe of their incredible skills. We extend our heartfelt gratitude to everyone who came out to support the event and cheer on our young athletes. Your presence undoubtedly made the day even more special.

We are delighted to announce that after an intense and closely contested competition, the winning house for this year's Sports Day is Mount Everest! Congratulations to all the students who represented Mount Everest House with great enthusiasm and determination.

I would like to praise every single child who participated in the event, regardless of the house they represented. Your energy, team spirit, and willingness to challenge yourselves truly made the day a memorable one. Well done, everyone!

Once again, a sincere thank you to the parents, guardians, and family members who came to support and encourage the children. Your presence not only created a vibrant atmosphere but also emphasised the importance of teamwork and camaraderie in our school community.

Cystic Fibrosis Day 16th June 2023

The school was a sea of yellow today. Thanks to everyone who wore yellow today for the Cystic Fibrosis Day. The early total shows that we have raised £85.95! Thank you for making a meaningful difference through your generosity. Together, we are making a difference.

District Sports

Alongside the successful Sports Day, our Athletics Team participated in the District Athletics at Dursley Primary School. Our children displayed outstanding talent and determination, with many of them securing 1st, 2nd, or 3rd place in their respective events. The Y5/Y6 boys' relay team concluded the evening with an electrifying victory, leaving everyone

in awe. We congratulate all our athletes for their remarkable performances and thank the coaches, teachers, and parents for their unwavering support.

Parking

A friendly reminder to please park outside the school in a considerate manner. As we strive to create a safe environment for our children, it is important to ensure that parking does not obstruct traffic flow or compromise the safety of pedestrians. Let's work together to make drop-off and pick-up times as smooth as possible by being mindful of others and following parking regulations. Thank you for your cooperation in keeping our school community safe and efficient.

FOSS

The last FOSS meeting of the year is at the Tudor Arms on Monday 26th June, 8pm. Friday 30th June will be Treat Friday (probably ice lollies) straight after school and Thursday 13th July will be the FOSS end of year disco, times TBC.

Have a lovely weekend,

James Taylor

Term 6
