7<sup>th</sup> November 2023

Dear Parents and Carers,

### Ofsted Inspection 3<sup>rd</sup> and 4<sup>th</sup> October 2023

Following our two-day Ofsted Inspection last month, we are delighted to share the fantastic news that Slimbridge Primary School has been graded as a **GOOD** school.

Whilst there is more to a school than an Ofsted grading, we are thrilled that the hard work, dedication and commitment of the whole school community has been validated and rewarded officially. We are delighted that Ofsted has recognised the excellent work at Slimbridge and described our school as **“an inclusive environment where pupils feel that staff value and celebrate their achievements. The school is ambitious for every pupil.”**

We are exceptionally proud of our pupils and delighted that the inspectors noted how **“Pupils enjoy school and show positive attitudes to their learning. At playtimes, pupils play well together and across the age groups.”**

The full report is sent with this letter and can also be found on our website. This amazing achievement could not have been reached without the support of everyone associated with the school. We want to take this opportunity to thank you, your fantastic children and our dedicated staff for their hard work and commitment, which helps make Slimbridge a wonderful place to learn, work and succeed. Please do contact the school if you have any questions about the report, we would be happy to hear from you.

Yours sincerely

Mrs Hillman  
Headteacher
