

Newsletter 44 Friday 19th January 2024

We are proud to announce that our new art work in the entrance corridor has arrived.

Dear Parents,

Happy New Year to you all—we hope that your year has started well and will bring joy and happiness to you. We also hope that you and your families are well rested from the Christmas break. We are now happily in the swing of things at school and the children are settled into their learning. Our assemblies have been on New Year's Resolutions, where we have talked about choosing healthy options like trying to bring water to school, getting lots of exercise and trying not to bite our nails! We also talked about keeping bedrooms tidy ... I wonder if this has happened at home?

Art work arrival

Imogen Harvey Lewis, the artist and illustrator who created the above design, visited us in school today to celebrate the children's achievements in designing the t-shirts that make this art work so special. Well done to everyone whose ideas were included ... too many to mention here, as little individual parts of many designs were included in the final piece to make it so colourful and eye catching. Well done to our amazing children who listened to Imogen so carefully in assembly and asked really insightful questions.

After School Club Donations: We would welcome any donations of pre-loved toys to make our club fun: scooters, helmets, protective pads, skateboards, roller skates, balls, diablos, badminton equipment or anything else appropriate for outside play. Thank you.

Cross-Country

Slimbridge took part in the Dursley cross-country event last Saturday and scored some amazing victories. Well done to everyone involved: we were lucky enough to have 16 pupils take part in the races. A special well done to Violet who came 5th in the senior girls' race and Henri who came 3rd in the senior boys' race.

Ofsted Banner

Look out for our new banner on the school railings which promotes our most recent Ofsted inspection. We are proud to be a 'Good School' and welcome new pupils whole-heartedly. We only have a few spaces left in some year groups but, are always happy to show families around.

Car Park

Please avoid parking in the staff car park or entrance as some staff have not been able to access this. Also, please do not walk your children through the car park to school as this is hazardous when staff are arriving and leaving. Thank you so much, we care about your safety. Have a lovely weekend and thank you so much for your continued support. Kind wishes, Mrs Hillman.

Term 6
