

Newsletter 49 Monday 24th June 2024

District Sports

We are so proud of our children who entered the district sports competitions at Rednock and Dursley. They made us so proud due to their team-work and commitment. The children competed in running races, as well as throwing and jumping. A special mention to Ted Squire, who ran in the Y5 race, even though he is a Y4. Well done Ted. We are hoping to run an assembly to celebrate – look out for a date to follow.

Dear Parents,

We have had an incredibly busy term so far and it seems that the weeks are passing by extremely quickly. The last few weeks have been full of end of year result gathering and report writing, with that last leap from teachers to ensure the children are achieving well in all areas of the curriculum. We have just completed phonic screening checks; multiplication checks and of course the Y6 SATS tests. Teachers are busy writing end of year reports, in which the results from these assessments will be shared with families. We hope that you will share with us in celebrating how amazing all of your children are and how hard they have worked. Please look closely at the dates for your diary sent along with this this newsletter, as we have a busy few weeks ahead. We are looking forward to Sports' Day tomorrow, please make sure your children have sun-cream applied before coming to school, plenty of water and a sun hat. Please send your child in their Sports' Kit with a t-shirt in the colour of their team house.

Wear Yellow for Cystic Fibrosis

On Friday, we all wore yellow to raise money for the Cystic Fibrosis charity, thank you so much for your kind donations – we raised over £100 through your kindness and generosity.

Year 6 Residential to South Cerney

Our Year Six children had a fabulous time on their residential to South Cerney, where they enjoyed paddle boarding, raft building and many more team building activities.

Thank you for your continued support of our school community. Please feel free to contact me on the email below if you have any comments or feedback.

Kind wishes,

Mrs Hillman. head@slimbridge.gloucs.sch.uk
